MATERIALS SCIENCE AND ENGINEERING

- YU: History of Sch. Of MSE
- 1973.12: Establishment of Sch. of Metallurgical Engineering
 - 1986.10: Establishment of Sch. of Inorganic Material Engineering
 - 1994-1999: Selection of Specialized Departments in Nationally Supported Engineering Colleges (5 years)
 - 1995.10: Department Integration
 - 2000.12: The best university in the MSE by Korean University Education Council
 - 2004-2009: Participation in NRF project (5 years)
 - 2007.04: Selection of leading school in KJ
 - 2009: Major Integration
 - 2009-2011: Participation in "Foster project for expert in green energy" (3 years)
 - 2012-2016: Participation in LINC project (5 years)
 - 2013-2020: Participation in 3rd BrainKorea 21 Plus project (7 years)
 - 2014-2021: Participation in CK-1, PRIME project (5+3 years)
 - 2015: The best university in metallurgy field by Industry Perspective Evaluation
 - 2019: The best university in MSE field by Industry Perspective Evaluation
 - 2020-2023: Participation in "Foster project for expert in high value-added metal" (3 years)
 - 2020-2027: Participation in 4th BrainKorea 21 (7 years)
 - 2023-2028: Participation in "Foster project for expert in eco-friendly metal" (5 years)
